# MAY

## STEPPING UP FOR CHRISTIAN AID

Once again a team is Stepping Up to take 300,000 steps (or equivalent activity) during the month of May.

You can help:

Join Keeva the beagle and take up the 300,000 steps challenge – the more steppers, the more we can raise for this important cause.

Make your own challenge – what could you do? Individuals, families, youth groups can raise funds with their own 'Just Giving' page. Link it to our Stepping Up team page, and watch the total grow.

### DONATE

You can donate on the Just Giving page, or by direct donation to your church representative, or the Christian Aid Treasurer (see details over).

**CIRCULATE** the link to family and friends and encourage them to support our efforts.

### COLLECT

There will not be a full door to door collection this year, however if you would like to collect, particularly if you are well known on your patch, this would be great. You can use traditional envelopes, or delivery only (to return to a specified address); have a word with your church rep if interested.

## **WORSHIP**

At Zion United Reform Church on Sunday 15<sup>th</sup> of May – 4pm, there will be a special service, worship, prayer and a film focusing on the work of Christian Aid, led by Reverend Alan Coustick.

Afterwards, please join us in a bring-your-own picnic in the adjacent Secret Garden. Hot drinks will be provided.

Everyone is invited.

Gift envelopes will be available at this service, and at services in other churches.

In 2022, the money we raise for Christian Aid is as urgently needed as ever, with the effects of the Covid pandemic, and drought on the worlds poorest as well help to the beleaguered people of the Ukraine and other conflicts.

***Please consider contributing your time and/or money. We need you, but above all, the poorest people in the world need you.***
